

(6) The applicant's resources, including equipment, facilities, and funds, available for the project;

(7) The current and potential availability of students in the area of study to be offered and their prospective employability as a result of the proposed training;

(8) The extent to which the applicant expects to absorb faculty positions initiated as a result of the grant; and

(9) The degree to which the project adequately provides for the requirements set forth in § 86.13(a).

(b) In the case of short-term training:

(1) The relationship of the contents of the course to the current and emergency training needs to carry out the purposes of the Act;

(2) The qualifications of the instructional staff;

(3) The speed with which the training can be put to use by the persons proposed to be trained;

(4) The reasonableness of the budget in relation to the proposed project;

(5) The success of previous offerings of this course, or related courses;

(6) Evidence of ability to recruit trainees and the estimated number to be enrolled during each course offering; and

(7) The degree to which the proposed project adequately provides for the requirements set forth in § 86.13(b).

(c) In the case of educational resource center grants:

(1) The criteria set forth in paragraphs (a) and (b) of this section.

(2) The degree to which the proposed project adequately provides for the requirements set forth in § 86.13(c).

(d) The amount of any award shall be determined by the Secretary on the basis of his estimate of the sum necessary for all or a designated portion of direct project costs plus an additional amount for indirect costs, if any, which will be calculated by the Secretary either (1) on the basis of his estimate of the actual indirect costs reasonably related to the project, or (2) on the basis of a percentage, not to exceed 8 percent, of all, or a portion of, the estimated direct costs of the project when there are reasonable assurances that the use of such percentage will not exceed the approximate actual indirect costs. Such award may include an esti-

mated provisional amount for indirect costs or for designated direct costs (such as travel or supply costs) subject to upward (within the limits of available funds) as well as downward adjustments to actual costs when the amount properly expended by the grantee for provisional items has been determined by the Secretary.

(e) All grant awards shall be in writing, shall set forth the amount of funds granted and the period for which support is recommended.

(f) Neither the approval of any project nor any grant award shall commit or obligate the United States in any way to make any additional, supplemental, continuation, or other award with respect to any approved project or portion thereof. For continuation support, grantees must make separate application annually at such times and in such form as the Secretary may direct.

[40 FR 29076, July 10, 1975, as amended at 42 FR 52402, Sept. 30, 1977]

#### § 86.15 Payments.

The Secretary shall from time to time make payments to a grantee of all or a portion of any grant award, either in advance or by way of reimbursement for expenses incurred or to be incurred in the performance of the project to the extent he determines such payments necessary to promote prompt initiation and advancement of the approved project.

#### § 86.16 Use of project funds.

(a) Any funds granted pursuant to this subpart as well as other funds to be used in performance of the approved project shall be expended solely for carrying out the approved project in accordance with section 21(a) of the Act, the regulations of this subpart, the terms and conditions of the award, and the applicable cost principles prescribed by subpart Q of 45 CFR part 74.

(b) Prior written approval by the Secretary of revision of the budget and project plan is required whenever there is to be a significant change in the scope or nature of project activities, which in the case of short term training grants, includes any change in the course dates or training sites.
